

# VEHICLE SERVICE CONTRACTS

ENJOY A MORE WORRY-FREE OWNERSHIP EXPERIENCE.

If you want to protect yourself against the high cost of vehicle repairs, a Vehicle Service Contract (VSC) can be a great option.

A vehicle service contract is an all-risk mechanical breakdown plan that pays to repair or replace nearly every component in your vehicle (see chart for covered components for each plan). It's peace of mind for you – and your budget.

## Features and benefits of the Vehicle Service Contract (VSC):

- A VSC provides coverage for the cost of parts and labor associated with eligible repairs based on your plan selection
- Repair your vehicle virtually anywhere – you can have repairs made at your selling dealership or through any ASE-certified repair shop across the U.S.
- Transferrable to the next vehicle owner, offering potentially higher resale value
- A small deductible may apply per covered repair

3 plans to choose from. Select the plan that suits your budget and lifestyle.

## Benefits included with every plan:

### EMERGENCY ROADSIDE ASSISTANCE

24/7 emergency roadside assistance coverage for services such as: towing, flat tire changes, gas and fluids delivery, battery services, and frozen lock and lockout services – up to specified limit per disablement.

### TRANSPORTATION REIMBURSEMENT

In conjunction with covered repairs – up to a specified daily limit.

### TRIP INTERRUPTION

Trip interruption coverage for food and lodging for up to three days – up to specified limit – if breakdown occurs more than 100 miles from home.

## EXCLUSIONS

Any part not specifically listed in your contract as covered under the coverage plan you selected, including, but not limited to, any of the following parts:

Glass, lenses, sealed beams, light bulbs, wheels, wheel covers, tires, interior trim, moldings, bright metal parts, sheet metal, flexible body parts, frame and sub-frames, weather strips, upholstery, convertible and/or vinyl top, paint and coatings, catalytic converter, exhaust system, brake rotors and drums, wiper blades, coolant hoses, all batteries including the high-voltage EV/Hybrid battery installed by the manufacturer unless listed under your coverage, spark/glow plugs, drive belts, brake pads, brake linings and shoes, and manual clutch disc. Repairs of water and air leaks, rattles, squeaks and wind noise, alignment of body parts, bumpers, as well as glass, rust, and physical damage are not covered. Any parts or components that are not factory installed are not covered.

In addition, the normal maintenance services and parts required or recommended by your vehicle manufacturer and other normal maintenance services and parts, including engine tune up, suspension alignment, wheel balancing and filters are not covered.

This brochure gives a general overview of Zurich's vehicle service contracts available to qualified customer through individual member companies of Zurich in North America. Certain restrictions and exclusions apply, and coverages may differ in certain states. Please consult your vehicle service contract for detailed terms and conditions.

Universal Underwriters Service Corporation (UUSC), an individual member company of Zurich in North America, is the issuing provider and administrator of Zurich's vehicle service contracts in all states except Florida. In Florida, the issuing provider and administrator is Vehicle Dealer Solutions, Inc. (FL License #60132). In California and New York, UUSC operates under its d/b/a UUSC Service Company (CA License #0C17302).
