

ENVIRONMENTAL PROTECTION PLANS

HELP KEEP YOUR VEHICLE LOOKING SHOWROOM NEW

Whether you are looking to protect your vehicle's exterior, interior, or undercarriage, our Environmental Protection Plans have you covered!

Protect your vehicle's paint surface with a specially developed sealant that shields your vehicle from harmful elements like acid rain, tree sap, bird waste, and more. On the interior, you can protect your leather, vinyl, and fabric from spills and stains caused by food and drinks, pets, makeup, gum, and other messy accidents.

If you want to reduce surface rust and protect the undercarriage of your vehicle, a Rust & Undercoat Plan could be perfect for you. You can even improve visibility and strengthen your windshield with Windshield Protection.

Exterior - Paint Protection

With exterior paint protection, your paint will be sealed, allowing it to repel UV rays and chemicals, as well as harmful environmental elements.

Product features and benefits:

- ✓ Seals and protects paint surfaces
- ✓ Protects against weather-induced fading and loss of gloss
- ✓ If EPP fails to perform, the damaged portion of the vehicle will be treated
- ✓ Rental reimbursement should vehicle need treatment
- ✓ Renewable
- ✓ Transferable to the next owner

Exterior coverage includes:

- ✓ Weather-induced fading
- ✓ Loss of gloss
- ✓ Hard water etching
- ✓ Bird waste
- ✓ Acid rain
- ✓ Tree sap
- ✓ Oxidation
- ✓ Insects
- ✓ Road salt
- ✓ De-icing agents
- ✓ Sand abrasion
- ✓ Accidental paint overspray

Exterior coverage does not include:

- ✗ Damage due to misuse of vehicle
- ✗ Flaking, cracking or separation of paint
- ✗ Untreated repaired or repainted parts
- ✗ Damage to inside of truck bed
- ✗ Metal plate or chrome trim damage
- ✗ Parts, decals or equipment installed after the factory

VEHICLE ELIGIBILITY

Gas combustion, hybrid and electric vehicles

Most makes and models, ask your dealership representative for further details.

Interior Protection

Help extend the life of your vehicle's interior and protect against premature aging to fabric, leather and vinyl surfaces.

Product features and benefits:

- ✓ Makes cleanup easy
- ✓ Creates a barrier against stains
- ✓ Extends life of fabric seats and carpet
- ✓ Protects against premature aging of leather and vinyl
- ✓ Delays fading

Exterior coverage includes:

- ✓ Food & drink stains
- ✓ Oil-based stains
- ✓ Fading
- ✓ Cracking
- ✓ Chewing gum
- ✓ Lipstick & makeup
- ✓ Crayons
- ✓ Urine & vomit
- ✓ Blood
- ✓ Pet stains
- ✓ Leather/vinyl punctures (less than ¼")
- ✓ Leather/vinyl tears (less than 1")
- ✓ Loose seam stitching
- ✓ Ink & dyes (including clothing dyes)

Exterior coverage does not include:

- ✗ Non-factory floor mats
- ✗ Headliner
- ✗ Odor removal
- ✗ Water stains
- ✗ Manufacturer material defects

Exterior - Rust & Undercoat

Professionally applied to targeted areas of your vehicle, Rust Protection helps minimize surface damage while preserving the value and appearance of your vehicle. Applying Undercoat Protection to the undercarriage of your vehicle helps protect it against dust and debris while reducing engine and road noise.

Rust Protection:

- ✓ Keeps moisture from corroding inner body panels
- ✓ Protection against rust perforation from the inside out
- ✓ Reduced surface rust and corrosion
- ✓ Protects against salt and humidity

Undercoat & Sound Deadener:

- ✓ Reduces engine and road noise
- ✓ Helps maintain interior cabin temperature levels
- ✓ Protects underbody against dust and debris

Exterior - Windshield Protection

Your windshield may appear smooth, but it is actually jagged with peaks and valleys at the microscopic level. Windshield Protection helps shield the surface of your windshield from road hazards by forming a protective coating over its surface, making it more durable and resistant to normal cracks, chips, and scratches

Product features and benefits:

- ✓ Barrier repels water and oil, providing better visibility
- ✓ Makes ice and snow easy to remove
- ✓ Allows for easy removal of dead insects, tree sap, and road tar
- ✓ UV resistant - won't blister or peel
- ✓ Keeps moisture from corroding inner body panels
- ✓ Can reduce rock chip damage
- ✓ Transferable to next owner increasing your vehicle's resale value

Product Warranty:

If the product fails to perform as warranted, Automotive Protective Services, Inc., the warranty administrator, will repair or replace the damaged portion of the treated surface of your windshield.*

* This is a product guarantee in Washington
