# 2024 GENESIS ELECTRIFIED GV70

COMPETITIVE COMPARISON

Building upon the success of the popular GV70 SUV, the Electrified GV70 embodies a new era of sustainable mobility without compromising on performance or luxury. At the heart of the Electrified GV70 lies its electric powertrain, which combines a high-capacity battery pack with powerful electric motors to deliver impressive performance and efficiency. Inside the cabin, the Electrified GV70 showcases Genesis' commitment to luxury and sophistication. High-quality materials, exquisite craftsmanship, and advanced technology blend seamlessly to create a refined and comfortable driving environment. The Electrified GV70 embodies Genesis' commitment to innovation and sustainable mobility, providing a compelling option for those seeking a premium electric SUV.

- » Coupe-like silhouette with athletic proportions
- » Exhilarating performance featuring powerful EV motors
- » Class-leading standard Advanced Safety features

THE 2024 GENESIS ELECTRIFIED GV70 CAN DELIVER UP TO 60 MILES OF RANGE PER 5 MINUTES OF CHARGING – FASTER THAN THE AUDI Q4, MERCEDES-BENZ EQB, VOLVO XC40 AND TESLA MODEL Y.\*

\*When charging at a DC Fast Charging station from 10% to 80%, compared to the 2023 Audi Q4 e-tron 50 Prestige, the 2023 Mercedes-Benz EQB 350 4Matic SUV Pinnacle, the 2023 Volvo XC40 Recharge Ultimate and the 2023 Tesla Model Y Performance.

## WHAT'S TO LOVE ABOUT THE ELECTRIFIED GV70?

CLICK EACH LINK TO ACCESS THE FULL ARTICLE.\*\*

### ➔ [CAR AND DRIVER](#)

“Based on the gasoline-powered GV70 SUV, the Electrified GV70 looks just as fabulous but swaps in two electric motors making a combined 483 horsepower. Performance is predictably intoxicating, and we estimate that the Electrified GV70 will hit 60 mph in just 3.8 seconds.”

### ➔ [ROAD & TRACK](#)

“By electrifying its core model, Genesis has created one of the best luxury crossovers on sale today. The gas-powered GV70 was already at the top of its class—this electric version just makes it even better.”

### ➔ [EDMUNDS](#)

“...as a luxury SUV, the Electrified GV70 excels. Comfortable seats, a smooth ride quality, sophisticated interior materials and design, and a generous complement of driver assist features make the Electrified GV70 one of our most highly rated luxury EV SUVs.”

<sup>1</sup> Competitive information based on 2023 Model Year information available at the time of publication.

<sup>2</sup> Offer for complimentary Genesis Connected Services without subscription (GCS) is available to purchasers and lessees of new 2023 and newer model year GCS-equipped Genesis models. Not available on all models and trims. GCS requires an active GCS account subject to GCS Terms and Conditions. Only use GCS features and corresponding devices when safe to do so. Cellular and GPS coverage is required. Features, specifications, and fees are subject to change. GCS relies on digital wireless telecommunications technology outside of Genesis' control. GCS is dependent on 4G LTE cellular networks controlled and maintained by third-party wireless carriers. If and when these networks change and/or discontinue service, or the underlying technology required to support GCS becomes obsolete, then the connected services will not work and Genesis will be forced to cancel impacted services.

<sup>3</sup> Advanced Driver Assistance Systems.

<sup>4</sup> All SiriusXM services require a subscription sold separately, or as a package, by Sirius XM Radio Inc. after the trial period has elapsed. The subscription plan you choose will automatically renew, and you will be charged according to your chosen payment method at then-current rates. Fees and taxes apply. To cancel, you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at [siriusxm.com](https://www.siriusxm.com). All fees and programming subject to change. Satellite and outside-the-car lineups vary slightly. Sirius, XM, SiriusXM and all related marks and logos are trademarks of Sirius XM Radio Inc.
